**CREATIVE PROGRAMS**

**Chatty Crafties**  
Join us on Monday afternoons to learn a new craft skill, or bring your own project to work on. All supplies will be provided. No registration required.  
Every Monday, 3-5 pm  
Penrose Library

**Knit One & Crochet Too**  
Bring a project to work on, share ideas, and socialize with fellow yarn crafters. Everyone is welcome.  
Wednesdays, October 5 and 19, 1:30-3 pm  
East Library

**Yarn-Tastic!**  
Bring your own needlework project, share ideas, and learn new skills. Refreshments provided.  
Fridays, October 7 and 21, 1-3 pm  
Rockrimmon Library

**Stitch-Wits**  
Stitch-Wits welcomes all stitchers to come stitch in community.  
Monday, October 10 and 24, 6:30 pm  
Old Colorado City Library

**Ruth Holley Crafter’s Group**  
Join the lively group of hand crafters to share ideas, socialize, and work on your own project. All are welcome.  
Mondays, October 10 and 24, 1:30-2:30 pm  
Ruth Holley Library

**Needles, Hooks, & Yarn**  
This month we will be making holiday ornaments. All materials are provided. Bring your own needlework if you prefer. Just come with your enthusiasm!  
Tuesdays, October 11 and 25, 12:30 pm  
Sand Creek Library

**Photography Club: Extending the Image**  
Do you love photography? Join us to share tips and techniques. All adults welcome, including beginners. No registration required.  
Tuesdays, October 11, 2 pm  
Cheyenne Mountain Library

**Yarnettes**  
Join this lively group of hand crafters to share ideas, socialize, and, of course, work on a project!  
Fridays, October 14 and 28, 10 am-Noon  
Library 21C

Computer Class Descriptions

Mouse and Computer Basics
Learn to hold, move, and click a computer mouse. This is a class for people who have never used a computer or mouse. Learn computer elements, simple navigation, basic keyboarding.

Computer Basics Practice Lab
Receive extra help practicing skills learned in the Computer Basics class.

55+ Beginning Computer Class Series
This series combines the Mouse and Computer Basics class and the Computer Basics Practice Lab.

Word Basics or Word I
Learn basic word processing skills including how to create and save word documents and how to enter and manipulate basic text by learning about the Microsoft Word screen.

Internet Basics
Gain experience using the Internet and the library catalog to search the computer effectively for information. Mouse experience, such as scrolling, highlighting, and clicking in a box is required.

Email Basics
Set up an email account and learn the basics of emailing. Mouse experience, such as scrolling, clicking, highlighting, and clicking in a box is required.
